

## **LEVITON NETWORK SOLUTIONS WARRANTY OVERVIEW – U.S. CONTRACTOR PROGRAM**

**LEVITON AUTHORIZED NETWORK INSTALLER  
LEVITON PREMIER NETWORK INSTALLER**

### **Limited Lifetime Product and System Performance Warranty**

**Coverage:** Product and Performance for the Life of the installation (defined as the usable life of the building). Coverage includes the cost of labor to replace product.

**Explanation:** Warranty is issued in conjunction with contractors who have been certified in Leviton Network Solutions Contractor Program as an Authorized Network Installer or Premier Network Installer. The warranty covers installations using Leviton Network Solutions connectivity products in conjunction with Superior Essex (NextLAN) or Mohawk (NetSync) cabling systems. Lifetime warranty coverage also applies to Leviton Network Solutions manufactured pre-terminated copper and fiber optic cable assemblies, harnesses, and trunk assemblies.

---

### **Limited 15-Year Product and System Performance Warranty**

**Coverage:** Product and product performance for 15 years after installation. Coverage excludes the cost of labor for product replacement.

**Explanation:** Warranty is issued in conjunction with contractors who have been certified in Leviton Network Solutions Contractor Program as an Authorized Network Installer or Premier Network Installer. The warranty covers installations using Leviton Network Solutions connectivity products in conjunction with Belden, CommScope, Hitachi, General, or Berk-Tek cabling.

---

### **Additional Warranty Information**

This Limited Warranty coverage is exclusive to Leviton Network Solutions copper and fiber optic connectivity products including workstation jacks, connectors, patch panels, patch cords, enclosures and Leviton pre-terminated cable assemblies. Coverage includes approved cable manufacturers as part of the certified system. Warranty coverage is provided for TIA Category 5e rated systems or better.
